

FASHION DESIGN

The Fashion Department's mission and learning outcomes speak to the current global fashion inquiries, emphasizing experimentation and exploration as well as theoretical analyses framed by issues such as materiality, sustainability, social justice, gender, race, and others. With that in mind, a strong emphasis on conceptual development and making creates continuity between the BFA in Fashion Design and the MFA in Fashion Collection + Communication; this confluence is the hallmark of both undergraduate and graduate study programs in Pratt Fashion.

Chair

Jennifer Minniti, Jane B. Nord Professor of Fashion

Assistant Chair

Tessa Maffucci

Assistant to the Chair

Christina Thurston
