

# FILM/VIDEO, MINOR

The Film/Video Department offers a 15-credit minor to undergraduates from all departments, consisting of 9 studio-based credits in the Film/Video department, 3 credits in a history of film/video course, and 3 credits in a media theory course. Students who minor in Film/Video will graduate with the fundamental practical and theoretical skills needed to express themselves creatively through motion media.

Please note: there is an application process for the Film/Video minor.
