

# HISTORY OF ART, MINOR

---

Minoring in History of Art is a great way to strengthen your degree, no matter which field of study you choose. The minor consists of 18 credits in History of Art and Design, including the 12 credits required of all undergraduates in the Schools of Art and Design. The remaining 6 credits must include at least one 400-level course. To declare the minor, simply stop by the History of Art and Design office (no appointments necessary) or email us at [had@pratt.edu](mailto:had@pratt.edu) with your questions.
