

DIVISION OF STUDENT AFFAIRS

The Vice President for Student Affairs, Assistant Vice, and departmental directors lead the Student Affairs division. Together with the Student Affairs VP department staff, they are dedicated to student advocacy, support (<https://www.pratt.edu/student-life/student-affairs/student-advocacy-and-care-coordination/>), and well-being (<https://www.pratt.edu/student-life/resilience-wellness-and-well-being/>).

The VP Office of Student Affairs staff members help students meet their challenges and engage in their Pratt journey with resilience and support. The Student Advocate and Care Coordinator assists students experiencing difficulties and connects them to campus and community resources and services.

The VP Office of Student Affairs is dedicated to creating a welcoming and safe environment where equity and access are supported and diversity, in all its many forms, is valued and celebrated. We partner with the Center for Equity and Inclusion to create an inclusive community.

The VP Office of Student Affairs is dedicated to creating a culture where the Pratt community can flourish and thrive through our focus on connection, engagement, support, and well-being. The Resilience, Wellness, and Well-being project provides mindfulness training, resources for contemplative practices, quiet spaces, peer-led workshops, tiered support groups, live Instagram events, the Food Pantry, and much more.

The VP Office of Student Affairs is located on the ground floor of the Main Building and can be found on the web at www.pratt.edu/student-life/student-affairs/ (<http://www.pratt.edu/student-life/student-affairs/>). We also have offices in the Center for Career and Professional Development, Residential Life and Housing, and Learning Access Center.
